# Digital Communication and Online Stakeholder Engagement

## Course overview

This course supports participants to understand, apply and operationalise digital communication and online stakeholder engagement within institutional, programme or sector contexts. It combines practical instruction, applied examples and implementation-focused learning.

|                                                                     |                           |                                              |                                             |
